# Skvalpskottet 1996

## Tackord

1996 var året då vi trodde att det aldrig skulle bli någon sommar. Men lagom till Skvalpskottet så kom den. Resultatet blev rättvisa förhållanden för alla deltagare i soligt och fint väder.

I konkurrens med andra tävlingar, såväl sport som nationella så var det återigen högt deltagande, 178 starter. Vi är mycket glada för att så många ville delta i vår tävling.

Vi tacksamma för all sorts kritik! I år fick vi sådan direkt i anslutning till tävlingen. Det tycker vi är bra, för det gör att vi har förutsättningar att bli bättre på det som eventuellt inte är bra till nästa år.

**Tack för i år och välkomna tillbaka 1997 då Skvalpskottet 5-årsjubilerar.**

PS.

**Ett stort tack till alla som gjorde tävlingen möjlig !**

DS.
